I. New License Holder:

I wish to select the following zone(s) as my declared lobster zone(s). I understand that the “declared zone” is where I intend to FISH the majority of my traps. Therefore, I must actually fish the majority of my traps in the zone in which I have declared.
(Please select either one open zone or up to two closed zones.)

Zone A (closed) _____

Zone B (closed) _____

Zone C (open) _____ (All hours apprenticed must be in Zone C to purchase a Zone C License)

Zone D (closed) _____

Zone E (closed) _____ (All hours apprenticed must be in Zone E to purchase a Zone E license)

Zone F (closed) _____ (All hours apprenticed must be in Zone F to purchase a Zone F license)

Zone G (closed) _____

If you have selected a zone that is currently closed to new entrants, your name will be placed on the waiting list based upon your eligibility date or the date we receive this form if after 30 days from receipt.

II. Zone Transfer Request:

I wish to transfer from my current declared zone to a closed zone(s). I understand that the “declared zone” is where I intend to FISH the majority of my traps. Therefore, I must actually fish the majority of my traps in the zone in which I have declared. Please place my name on the waiting list for the following zone(s):

Current Declared Zone _____

Limited Entry (Closed) Zone _____ or Zone _____.

SIGNATURE: _____ DATE _____

Any false statement is reason for the Department of Marine Resources to determine this request null and void.

- You may request to have your name placed on up to two waiting lists.
- The number of new zone entrants will be determined each licensing year by February 1 and uses an exit ratio that is based on the number of people who did not renew their license in the previous year (i.e., number of new licenses issued as licenses are retired).
